PLEASE number your bags with your 3-letter initial code followed by the corresponding number below. If your name is "John Randall Doe" your lots would be JRD-1, JRD-2, etc. If you do not have a middle name, please make up a middle initial in order to reduce the likelihood of repeat initial codes. We will assume that you want a 60/40 split, DO NOT write in the split box unless you would like to write "Donation" and give the full sale price to the BCAS as a donation. THANK YOU!

## PLEASE – NO "Ziplock" bags.

Fish should be double bagged in regular fish bags with 1/3 water and 2/3 air OR single bagged in "breathable" bags. Plants and dry goods may be single bagged. Leaking bags will be charged a re-bagging fee. If you have more than 25 items, feel free to grab a second sheet and re-number them (26-50, 51-75, etc.).
